# A day in my life

By Adrian Bârnă, VI A

Every day my sister wakes me up at 6 AM sharp and sometimes I get pretty mad about it.

I get dressed and I go to school. After I finish school I have to traverse the city to get home and believe me when I say that some bus drivers are very rude.

When I get home, I put my pyjamas on and I quickly do my homework.

After I finish all my homework and make my backpack for the next day, I usually eat and watch television.

Then, I slack off (for a fewhours☺) and don't do pretty much besides this.

In the evenings, when I get sleepy, at around 11 pm I brush my teeth and go to bed.
